

GROWCO is Good News to Grow your Company to the next level.

UNIOIL PETROLEUM PHILIPPINES, INC. have purchased Growco's Grounding Equipment for their facilities.

We are very fortunate to have such clients for their supports with repeat purchase orders for high quality **Growco GCS Series Grounding Clamp Systems** which are unique with our special design that has built-in horn will buzz/alarm when either of the functions from grounding clamp and / or overfill (option) is detected in non-proper usages by the operators to ensure that all safety precautions must be observed as per their safety procedures.

Since 1966, **Unioil** has led the way in innovative petroleum solutions, establishing itself as a highly innovative business partner for specialty oils, fuels and lubricants. Currently, **Unioil's** diversified interests include the operation of retail gas services stations, the marketing and blending of lubricants, oil trading and most recently, the marketing of bitumen, making it the leading independent petroleum company in the country of Philippines.

Below are some of our many photographs taken before delivery to our important international clients.

As a strategic business partner in the field of petroleum products, **Unioil** supplies the petroleum and power needs of various market segments. Aside from the **Unioil** lubricant brand, the company also fosters strategic global alliances with various oil and petroleum companies throughout the world.

We would like to express our sincerest appreciations for their supports and trusts in our high quality **Growco's** products.
