

GROWCO is Good News to Grow your Company to the next level.

VIETNAM NATIONAL OIL & GAS GROUP (Southern Petroleum Equipment Machine Joint Stock Company) Purchased Large sizes of Growco LS Series PD Flow Meters.

The large sizes of our **Growco LS Series Double Case PD flow meters** were carefully evaluated by them against our competitors for important criteria such as high quality design and accurate measurements with stable performance coupled with the ease in maintenances.

We are very fortunate with our customer's final choice of our **Growco LS Series Double Case PD flow meters** against other competitors' products available in the markets.

Southern Petroleum Equipment Machine Joint Stock Company is one of the large Joint Stock Company in the **VIETNAM NATIONAL OIL & GAS GROUP**. They have been actively providing their specialities in Vietnam to their investors to build more energy's facilities related to the oil and gas sectors to bring more opportunities with their some of their core objectives to serve the general public for the enegy needs in Vietnam.

Below are some of our many photographs taken before delivery to one of our repeat customers in Vietnam.

We are very proud that our large sizes of **Growco LS Series Double Case Positive Displacement (PD) flow meters** have been selected to be used in their investors' marine terminals loading & unloading of the petroleum related fuels such as marine fuel oils, diesel, gasoline, etc.

We would like to express our sincerest appreciations for their supports and trusts in our high quality **Growco's** products.
