

**GROWCO** is Good News to Grow your Company to the next level.

Saudi Aramco which is the state-owned oil company of the Kingdom of Saudi Arabia have purchased our Growco flow meters & Strainers.

Our **Growco LS Series Double Case PD flow meters and strainers** are of high quality with stable performances as expected from our customers. We also have our range of **Growco's** complimentary products such as **control valves, batch controllers, LED displays** for the ease of operation by the operators as well as our unique **grounding equipment** for the safety of the operators at the facilities' sites.

Below are some photographs of our **Growco's** range of complimentary products that can be used in such facilities to suit our customers' requirements to improve their overall productivity which will translate into better profitability in their respective companies.

**Saudi Aramco** is the state-owned oil company of the Kingdom of Saudi Arabia, they are also a fully integrated, global petroleum and chemicals enterprise and a world leader in exploration, production, refining, distribution, shipping and marketing.

**Saudi Aramco's** downstream accomplishments include their rank as the 8th largest refiner in the world, with a worldwide refining capacity of 4.02 million barrels per day. With their Head Office in Dhahran, Saudi Arabia; **Saudi Aramco** and its subsidiaries have offices throughout the Kingdom.

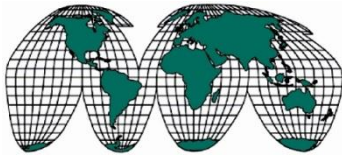

As of their approved vendors, we are very honoured that our **Growco LS Series Double Case Positive Displacement (PD) flow meters and strainers** have been selected to be used in their facilities. Besides that we are very pleased that they are also one of our repeat global customers.

We would like to express our sincerest appreciations for their supports and trusts in our high quality **Growco's** products which provide very good value-add to their investments.
