

**GROWCO** is Good News to Grow your Company to the next level.

Ocean Tankers Tuas Terminal In Singapore have Purchased Growco LE Series Double Case Positive Displacement (PD) Flow Meters.

Ocean Tankers has steadily acquired vessels over the years to fuel their growth and support the needs of their customers. They have grown into a leading tanker manager in Singapore. Today, they offer services to a wide network of customers including oil majors, state-owned oil companies and international trading houses. Their company manages and operates a fleet of about 100 vessels ranging from 180 dwt coastal barges to 318,000 VLCCs.

As a dynamic enterprise focused on energy transportation, they have been amongst the leaders in developing solutions tailored to meet the changing needs of their customers. Their underlying strengths are in the magnitude and profile of their fleet, customer-focused services, and strong commitment to safety and quality.

Most importantly, they draw on the strengths of their dedicated and professionally trained personnel. Combined with strong alliances forged with mid to downstream players, they are able to provide a full range of facilities; expertise and market insights that add value to and support their customers' business growth.

We are very proud that Ocean Tanker has selected to use our **Growco LS Series Double Case PD Flow Meters** to meet their needs as they are expanding and growing their business to the next level. We are very thankful for their supports given to us over the years that our **Growco** products can add very good value to their investments.

Above are some of our many photographs taken before deliveries to our repeat customer.
