
GROWCO is Good News to Grow your Company to the next level.

Petroleum Corporation of Vietnam (Petrolimex) under the Vietnam National Petroleum Group have purchased Growco Mag Series Intelligent Electromagnetic Flow Meters.

Petroleum Corporation of Vietnam (Petrolimex) under the **Vietnam National Petroleum Group** ; as a key state enterprises, especially ranked on their national scale is ensuring as the major market share leader nationwide in the gasoline markets. **Petrolimex** always promote the role of key mainstream stabilization and development of gasoline markets; petrochemical products to meet consumer needs of the people; serve the development of the country's economic security and national defense.

Vietnam National Petroleum Corporation started to restore oil facilities damaged in the the country, taking over oil bases and network organization of petroleum supply in the provinces , the provision of adequate and timely demand for gasoline production, defense and people's life to heal the wounds of war and socialist construction in the country of the past.

We are very pleased that our **Growco Mag Series Intelligent Electromagnetic Flow Meters** were selected to suit their applications and installed at their facilities. We are also proud to be associated with **Petrolimex** on their nation building programs for the benefits of the general public in Vietnam.

This is a very prestigious project that we are very proud of and we would like to take this opportunity to express our sincerest appreciation for their supports and confidences in us to be one of their vendors which we will continue to develop our business relationships with their leaderships' message to innovate and improve their business methods to focus investments for development and improving overall quality of their business.

The photographs are taken at their sites to share with our global customers of such important installations.
