

**GROWCO** is Good News to Grow your Company to the next level.

Drydocks World with its Head Office located in Dubai, UAE have purchased our Growco LS Series Double Case Positive Displacement (PD) flow meters.

The company houses four of Asia's premier shipyards in one of the world's busiest seaways specialising in Rig Building and Shipbuilding, as well as Repair and Conversions, supported by full Engineering and Design Capabilities.

Our **Growco LS Series Double Case PD Flow Meters** are manufactured of robust design for its high quality in constructions and its stable measurements of petroleum fuels which are widely used in various types of ships and marine vessels.

**Drydocks World** with its Head Office located in Dubai, UAE is one of the most prolific shipyards in operation. The shipyard is the largest facility in the Middle East and is the flagship company of **Dubai World** subsidiary **Drydocks World**. A ship repair yard of choice, it is also the preferred location for vessel conversions, new building and offshore construction.

Their yards' workshops are well equipped with modern equipment capable of working to exacting standards. **Drydocks World** has yards operating in Singapore and Indonesia, in Graha, Pertama and Nanindah in Indonesia. In South East Asia, Drydocks World offers a full spectrum of integrated maritime solutions in the strategic hub of Singapore which is very convenient to their satisfied clients for easy access to their specialised procurements and/or technical departments in both Singapore and Indonesia .

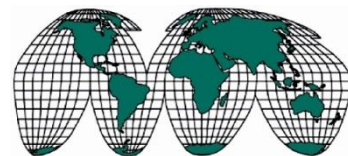

Above and below are some of our many photographs taken before deliveries to our repeat customers.

We would like to express our sincerest appreciations for their great supports in our **Growco's** products.
