

GROWCO is Good News to Grow your Company to the next level.

Growco LS Series Single Case PD Meters with Mechanical Pre-set Counters used for refuelling of bigger trucks , base oil blending and other applications.

We are very proud that our **Growco LS Series Single Case PD Meters with Mechanical Pre-set counters** have been widely selected by our global customers to install at their facilities for various applications such as refuelling of bigger trucks, base oil blending and many other applications.

Our **Growco LS Series Single Case PD Meters with Mechanical Pre-set counters** comes in various sizes from 2" (DN50), 3" (DN80) or 4"(DN100) give our global customers more choices to select our Growco PD meters to suit their requirements.

Our **Growco LS Series Single Case PD Meters** can be configured in basic arrangements like air eliminators and mechanical re-set counters in accumulative readings only and/or with pulse transmitter output for sending the data remotely according to customers' specific requirements.

Below is the photograph of our **Growco 3" (DN80) Single Case PD meter with mechanical pre-set counter** installed at one of our customers' actual sites for refuelling of bigger petroleum fuel trucks.

Below is another photograph at one of our customers' actual sites with 4"(DN100) size type.
