

GROWCO is Good News to Grow your Company to the next level.

THAI DNT PAINT MFG. Co. Ltd. is a leading paint manufacturer in Thailand have purchased Growco Underground Tank Gauges (UTG) Systems with SS Floaters type.

We are very pleased that our **Growco** UTG systems have been selected for their applications that used various chemicals for their productions. Our **Growco** UTG systems have the 8 inches colour screen as well as the easy to use touch screen for their operators as it is user friendly.

Our **Growco** smart probes used the stainless steel floaters to provide accurate measurement for their inventory controls to better manage their operations with ease.

THAI DNT PAINT MFG. Co. Ltd. is a leading paint manufacturer in Thailand. They established their first production plant in 1969 and have been adding new technologies to their established paints with more production plants as they expand.

They are determined to be a paint manufacturer that provides a large variety of products through innovation and cutting edge technologies for a wide range of industries. Their products in paints and coating that are widely used for decorative (used in interior & exterior of houses, building, etc), heavy duty (used in refineries, oil rigs, oil storage tanks, etc), Industrial (used in metal joints, motors, etc), automotive (used in vehicles for domestic and export markets).
