

**GROWCO** is Good News to Grow your Company to the next level.

Petrosea is recognised as one of Indonesia's leading contractors have purchased Growco Double Case PD Meters with Ticket Printers and Growco Strainers.

Petrosea is an Indonesian National company with International Capabilities. With over 41 years of experience in Mining, Engineering and Construction, and Offshore Base Services, Petrosea is recognized as one of Indonesia's leading contractors. Petrosea offers a unique and comprehensive array of services to the Indonesian Mining sector and they believe that they are the only Indonesian company with the ability to deliver a complete 'Pit to Port' mining solution.

Petrosea is able to provide solutions in the total energy supply chain. Understanding the demands of the industry and having the full suites of expertise in Engineering and project management in Indonesia, high-quality construction, enable them to provide consistent results and positions themselves to meet and exceed the expectations

of their customers capabilities, ability to complete complex projects on schedule, local knowledge and focus on human capital management and development.

We are very fortunate that our **Growco** LS Series Double Case PD Meters with Ticket Printers and Growco Strainer with Air Release Heads have been selected for their applications in their productions. Our **Growco** LS Series Double Case Positive Displacement Flow Meters are well known for their rugged and reliable usages with high accuracy to ensure that their operations are maximised to their requirements.

Our **Growco** Strainers with air release heads are well suited for such operations too.
